

VASCULITIS UK

Fundraising Pack

Why your support matters

Vasculitis UK is a registered charity run by vasculitis patients for vasculitis patients. We know, from personal experience, that vasculitis patients and their families need the right help and support when living the long-term disease.

Our fundraisers provide crucial help in financing research into vasculitis, and support for those looking for reliable information about their condition.

We're here to support your fundraising every step of the way so hopefully this guide will provide some inspiration.

From all of us at Vasculitis UK- Thank you .

Fundraising Ideas

Hold your own fundraiser

From holding your own coffee morning with family and friends to having a sponsored hair cut, there are all kind of ways to fundraise for Vasculitis UK.

You may even want to make a night of it by hosting a quiz or a karaoke night. Perhaps a charity football match? The weirder and wackier, the better!

By getting involved and having some fun , you'll be funding vital research and support for Vasculitis patients across the UK.

Fundraising in your workplace

Why not get your workmates involved in your fundraising? A car wash in the staff car park is a great way to raise money for Vasculitis UK.

If you fancied something with a bit more competition, why not ask your colleagues to walk 10,000 steps every day for a month? Those who completed it could even win a small prize!

Take part in an event

Every year, team Vasculitis UK hit the street at the Great North Run. Want to be one of our fantastic runners?

Keep an eye on www.vasculitis.org.uk for an announcement of when we're accepting applications. Alternatively, you could sign up to a challenge event near you as an individual and we'll support you to make sure you're ready for the big day.

Fundraising Ideas

Promoting your fundraising

Share your story- your connection to Vasculitis UK is one of your most powerful tools to use when your fundraising. Showing your contacts why the charity means a lot to you will encourage others to dig deep.

Make the most of social media- this can be one of the quickest and most effective ways of letting people know what you're doing and when.

Get local press involved- local publications love to share examples of people doing good in their community. You can promote your fundraiser and raise awareness for Vasculitis UK at the same time- win win!

Update on your progress- share regular updates on what you're doing- it could be a pic of you baking for your coffee morning or a video of your first training run!

How we can help you

Here at Vasculitis UK, we know just how important each and everyone of our fundraisers are. Supporters like you help us work towards improving the lives of those with the condition.

We understand that you will want to raise as much money as possible and we're here to help remove the obstacles to this where possible.

Not only do we have lots of experience in fundraising to be able to advise you, we also have a wealth of branded materials such as T-shirts, collection tins, teddies and so much more.

So don't be a stranger, get in touch and see where we can support your fundraiser!
